NEXT MEETING

Our next meeting is on Thursday, April 15, 2010 at 6:00pm at Jan Hus Presbyterian Church, 351 East 74th Street, NYC, room 101 (above lobby). The meeting will be from 6:00pm to 7:45pm

PROGRAM

The slides from the CSSA did not arrive on time last month for our meeting, so we will now have the slides ready for this month's meeting.

We will have a slide presentation entitled "Succulent Plants of the Cape Province", one of CSSA's slide Library programs. It is a tour from Capetown and the Cape of Good Hope into the mountains east of Capetown to the Great Karoo, with slides also from Bushmanland, before going on to Namaqualand and the Richtersveldt. It is a photo cunocopia of succulent plants, so for those of you that enjoy succulents in the wild, this show is for you.

MEETING HALL UPDATE

As you may have noticed above, we will be meeting back in our original Room 101, above the Lobby, instead of the ground floor space, for the foreseeable future. Thanks should go out to fellow member Richard Stone for staying on top of this. Richard is also in contact with the Horticultural Society, as they have a large new space and may be able to rent some space to our Society. Richard will keep us updated on this.

PLANT TABLE

Let's not forget our plant table. Please help out the Society by bringing in some plants for sale.
